House number 30635, Lusaka, Zambia, 101 01

## OBJECTIVE

---

Highly motivated and detail-oriented Intern Pharmacist with different experience across outpatient, inpatient, clinical and retail pharmacy settings at UTH and in my Community. Eager to apply my expertise in medications dispensing, patient counseling, and inventory or stock management to contribute to a dynamic hospital and retail pharmacy teams. Committed to delivering exceptional patient care, ensuring regulatory compliance, and continuously enhancing my skills in a fast-paced pharmacy industry. I am able to learn quickly and work under minimal supervision.

## EDUCATION

---

### **Bachelor's Degree in Pharmacy**

Nov 2017 - Nov 2023

The University of Zambia • Lusaka

Served as President for the School of Health Sciences Student's Association (Pharmacy, Biomedical Sciences, Physiotherapy and Radiotherapy)

Delivered my promises and Achieved accommodations for 70% of my students as opposed to the 20% that used to be given.

Advocated for equal treatment for my students to that of Medical Faculty.

Resolved students challenges with study areas by introducing study benches outdoor in-campus.

Designed and conceptualized a systematic form of leadership in the association where each had it's president and it's executive.

Enhanced Management and Student collaboration and facilitated the policies allowing students who haven't paid full school fees to write exams but guided that results be withheld until proof of full payments.

Organized students to carry out community work called Open Air Clinics where students would carry out medical tests for the community.

Arranged and coordinated sports from all association under my leadership and Won the 2023 awards for Football as a Motherbody Association.

## SKILLS

---

Medication preparation, compounding, and dispensing.

Knowledge of pharmacokinetics, pharmacodynamics, and drug safety.

Proficiency in conducting patient counseling and promoting medication adherence.

Familiarity with Good Manufacturing Practices (GMP) and quality control protocols.

Highly organized with attention to detail for managing inventory and records.

Ability to work under pressure and meet tight deadlines

Strong verbal and written communication skills for patient education and inter-professional

collaboration.  
Leadership experience as the president of university student associations, managing diverse teams.  
Adopt at working in multidisciplinary teams to achieve shared goals.  
Experience in creating engaging educational and promotional content for healthcare topics.
